UO FIP DraftTSD 5-6-16 - CLEAN OP rvw.docx

Bruce,

Attached is the most current version of the TSD for the FIP for Existing Oil and Natural Gas Sources on the Uintah and Ouray Indian Reservation in Utah. There is one section I still need to add a clarification to due to recent edits to the NPR, but other than that it is a clean version. Please let me know if you need anything else.

Thank you,

Claudia
